

Directory

Once a year we publish a directory for our neighborhood. The purpose of the directory is so that you can find friends for your kids, know your neighbor's name, return lost pets, mail etc. It is not to be used to solicit business. Please fill in the form with the information that you want to publish and return with your check for HOA dues. If you do not send in this sheet, you will not be entered into the directory. Directories will be given out at the HOA meeting.
